PREFACE

These study materials are designed and prepared following the study materials prepared for B.Ed (Special education) by Rehabilitation Council of India. We are thankful to all persons responsible for designing and preparation of these Study Materials.

The accepted methodology of Distance Education has been followed in the preparation of these Study Materials. These Study materials are equally useful for learners enrolled for Mental Retardation, Visual Impairment and Hearing Impairment.

However, certain period of time has been lapsed since introduction of the present curriculum. Consequently Self Learning Materials also need some changes and modification. Such revision is in the process. We are hopeful that a new look Self Learning Material will be prepared and circulated in near future.

Professor (Dr.) Subha Sankar Sarkar
Vice-Chancellor

Reprint : May, 2014
